---	--	--	--	--	--	--	--	--	--	--	--	--	--	---------------	--

<p>This report shows how each congregation of the Synod has responded so far in 2011 to the submission of annual parochial reports, mission support commitments, and remittance of undesignated mission support. This report is updated semi-annually (July 31 and January 31). Included is 2011 select data from the ELCA website as of July 31, 2011.</p>															
---	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

<p>The listing of congregations is in synodical ID order, and hence in sections for each conference. Highlighted cells call attention to tardyness in submission of parochial reports, or absence of undesignated Mission Support commitments or contributions, or less than 50% of commitments received to date.</p>															
---	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

<p>These reports are reviewed by the Financial Management Committee, and submitted to the Synod Council for information, and then posted on the synod website. The annual report is included in the bulletin of reports provided to delegates to the Synod Assembly.</p>
