

Anti-Racism Training

Hosted by Growing in Faith: NY diakonia

November 17, 2018

**Racism dehumanizes all of us
Dismantling racism heals us all.**

**Racism goes beyond personal prejudice.
This workshop will help us discover how racism is present in our
institutions and how hurtful it is to all those involved.**

Thanks to the generosity of the MNYS through a leadership grant, and assistance from the Anti-Racism Committee, we are able to bring you this vital training from Crossroads at no cost. Lunch and a light breakfast will be provided.

Please contact Ingrid Compton at ingridcompton@yahoo.com or (917) 929 7449 and sign up to attend. Deadline is November 11th as we need to order food and make sure enough materials are available.

Even though this training is being hosted by Growing in Faith: NY diakonia program, we invite all of our MNYS brothers and sisters to attend.
