Rev. Dr. Martin Luther King Commemoration Service**

"³ If anyone teaches otherwise and does not agree to the sound instruction of our Lord Jesus Christ and to godly teaching, ⁴ they are conceited and understand nothing. They have an unhealthy interest in controversies and quarrels about words that result in envy, strife, malicious talk, evil suspicions ⁵ and constant friction between people of corrupt mind, who have been robbed of the truth and who think that godliness is a means to financial gain."

1st Timothy 6: 3-5 (NIV)

From Education, To Knowledge, To Wisdom

"Education must enable one to sift and weigh evidence, to discern the true from the false, the real from the unreal, and the facts from the fiction.

The function of education, therefore, is to teach one to think intensively and to think critically. But education which stops with efficiency may prove the greatest menace to society." Rev. Dr. Martin Luther King, Jr.
