

Metropolitan New York Synod
FORWARD **TOGETHER IN CHRIST**
2025 ASSEMBLY

RESOLUTION TO AMEND THE 2026 BUDGET

Standing Rules of the Assembly:

Resolutions to amend the budget as recommended by the Synod Council must be submitted in writing to the treasurer by the conclusion of the plenary session in which the budget is put before the assembly. All proposed amendments must include recommendations to maintain a neutral budget line, meaning that any proposed changes to the budget should not result in a deficit or surplus, but rather aim to maintain the balance in the budget.
