We would like reports submitted to tell a story and speak to our assembly theme, "**Building Bridges**". Please use the questions below to shape your report in this way. If you need more space, you may attach a Word document with the question numbers included.

1. What did your committee discuss or accomplish in 2018? How does this reflect your committee's mission and purpose?

For example, were there events or initiatives that happened in the year? Tell us about the work carried out by this committee.

2. How does your committee reflect the goals and enablers of our Strategic Plan?

Our Strategic Plan informs the work of our synod. Learn more at mnys.org/who_we_are/strategic_planning/.

3. What does the mission of your committee contribute to building bridges between our brothers and sisters in Christ?

*Tell us about the uniqueness of this work and how it shapes a specifically **welcoming and inclusive** message.*

4. How can this committee speak to our assembly theme, "Building Bridges"?

How does this work relate with the goals of the Strategic Plan during this year? (immigration/first-third ministry/leadership development ?

5. How can individuals and congregations engage in the work of this committee?

Give practical steps, resources, or ideas for someone to get involved. For example, could they invite a committee member as a speaker? Are there new resources to help them engage? Can they do something else?
