Mission support from all, including subsidized congregations, is a sign of our partnership in the Gospel.

In Fiscal Year 2023, the Metropolitan New York Synod will give 50% of what it receives to ELCA - Churchwide ministry, which supports new congregations, missionaries, seminaries, colleges and universities, campus ministries, early childhood centers, elementary schools, outdoor ministries, social ministry organizations, advocacy, and community development on a national scale. Partnership dollars come back to synods and congregations in the way of grants, services, programs, staff and resources.
