

Pinecrest 2020

Theme: Life Interrupted

I am about to do a new thing;
now it springs forth,
do you not perceive it?
I will make a way in the wilderness
and rivers in the desert.
Isaiah 43:19

First Year Camper Meeting

Gathering Worship

- Our first virtual worship experience will happen following our FYC Meeting
- Bishop Paul Egensteiner will kick off our virtual week by preaching at worship!

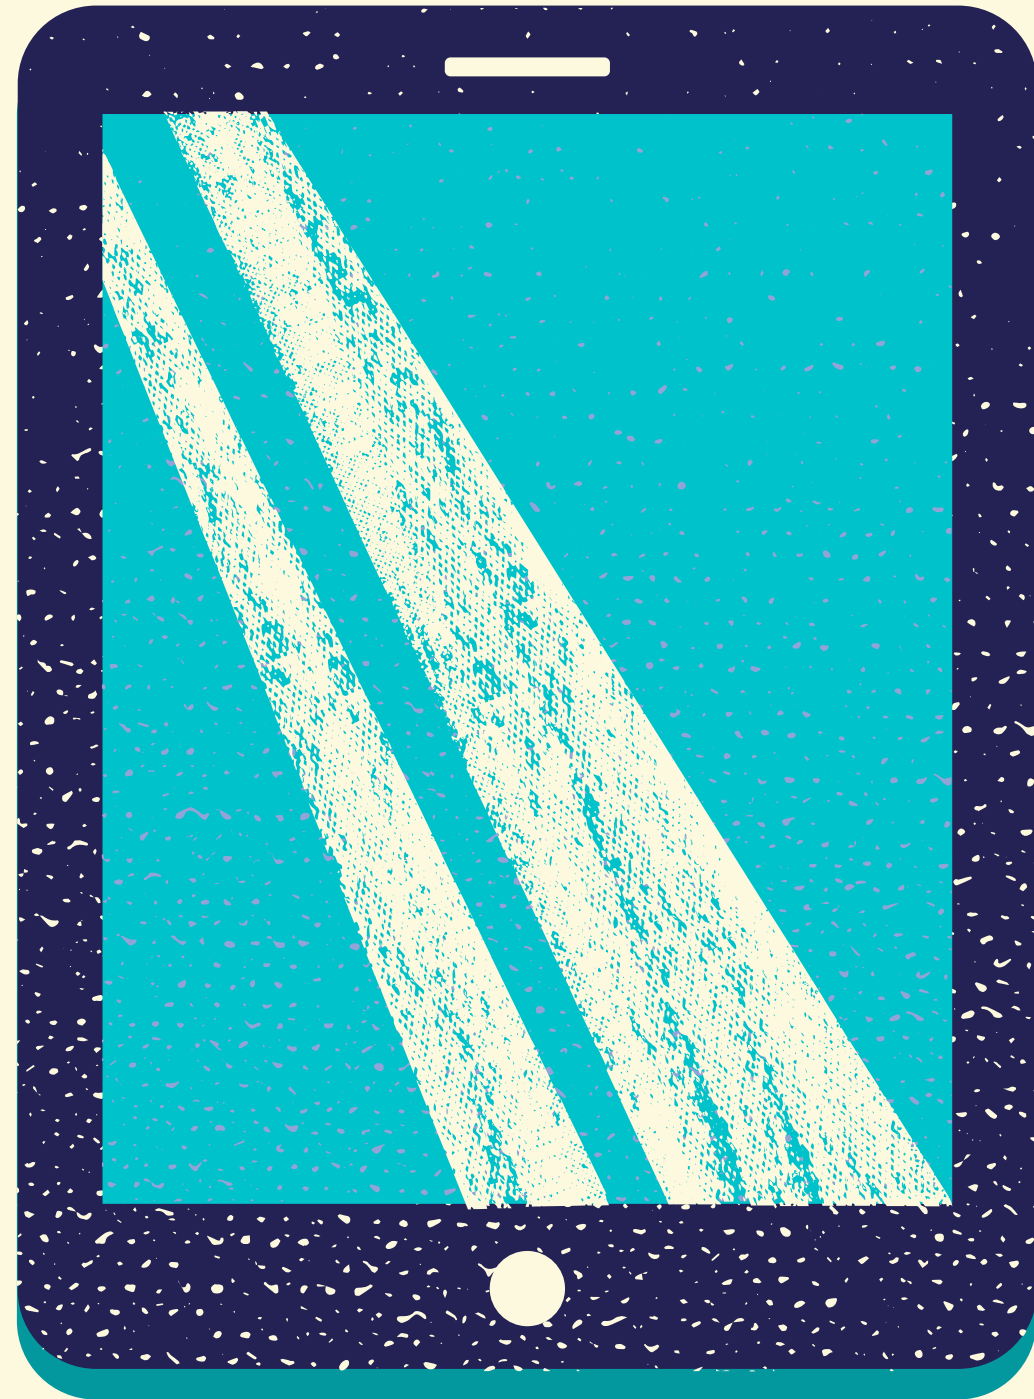

Opening Circle & Devotions

- Campers will meet as villages to keep our opening circle tradition!
- Then, campers will break off into their Cabin Groups for devos

Morning Bible Study

Starting at 10am, campers will tune in to morning bible study to start the day with scripture!

Classes

45-minute classes will be held Monday – Friday at 12:00PM and 5:00PM. This will allow folks with varying schedules to attend at times that make the most sense! Each class will be focused on Leadership (because we can't forget the second "L" in Pinecrest LLM)

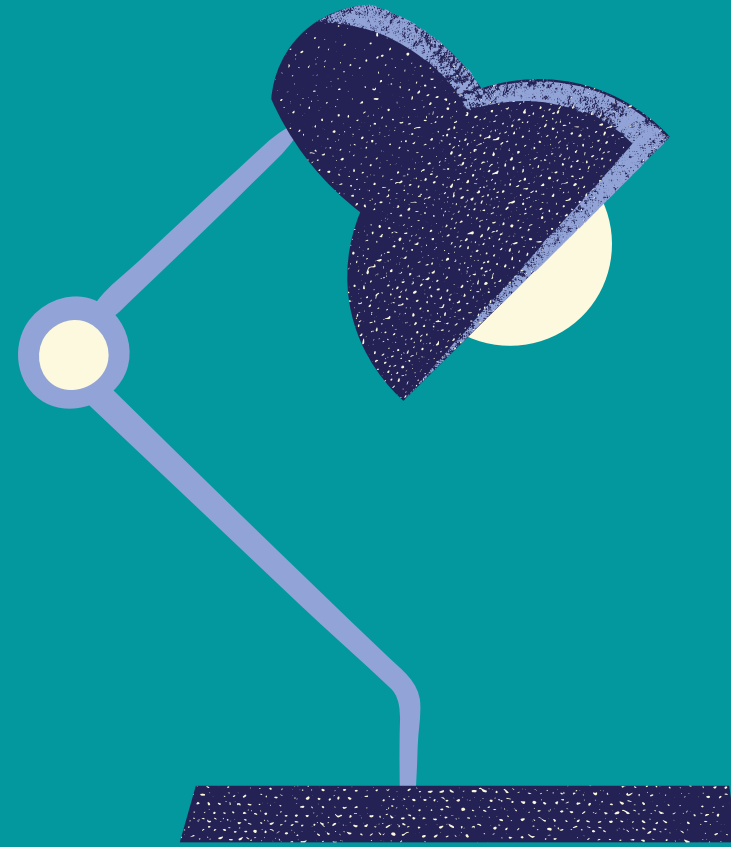

Nightly Activities

Put your creative skills to the test with nightly activities starting at 8PM on Zoom. Campers will enjoy skit nights, art challenges, council fires, talent show and MORE!

Spiritual Horizons

As nightly activities wind down, we will transition to virtual spiritual horizons. Our Activities Staff will provide beautiful music, including all of our favorite songs, followed by a message from our Director

Devotions & Cabin Time

Similar to in-person Pinecrest, campers will slowly drift back to their cabin groups to meet for nightly devotions. Campers are free to stay on those calls until morning Bible study

Day of Service and Justice

We're used to being up and on our feet for our Day of Service and Justice, but this year will look a little different...

Sunday Worhsip

We'll close out the week on Sunday, August 16th by gathering one last time to celebrate another year of Pinecrest!
