

RESOLUTION 3: TO FACILITATE THE ELECTION OF A SUCCESSOR TO BISHOP RIMBO

Whereas, the procedures adopted in 2012 for identifying nominees for the office of bishop were conceived only for elections held within the usual electoral cycle, therefore be it,

***Resolved*, that in order to facilitate a timely election of a bishop to fill the current vacancy, the 2018 Synod Assembly authorizes the Synod Council to set aside as necessary the procedures adopted in 2012.**
