   C. **St. Lydia’s, Brooklyn: bank account signatories**
      Banking regulations require congregations wishing to open a bank account provide a copy of the resolution, recorded in the congregation’s minutes. The resolution must include the names of signatories on the account. As a “Congregation under Development” – St. Lydia’s is not incorporated, but falls under the incorporation of the ELCA. Authorization by the Synod Council for St. Lydia’s to open a new bank account (for their capital campaign funds) recorded in the SC minutes will satisfy that requirement.

      **ACTION SC14/1:06**
      RESOLVED, that the Metropolitan New York Synod Council authorize St. Lydia’s Church, Brooklyn to open a congregation bank account designated for capital campaign funds; listing the Rev. Emily Scott and Phil Fox Rose as authorized signatories on the account.
      ADOPTED
D. Leif Ericson Day School

Whereas the intention of the former Bethany Lutheran Church in Brooklyn to leave the assets of a possible sale of their parsonage as a legacy to support the continued mission of Leif Ericson Day School (LEDS) is well-documented in that former congregation’s records;

Whereas the parsonage of the former Bethany Lutheran Church was sold by the Metropolitan New York Synod (MNYS) during a time of cash flow crisis for the synod;

Whereas the Metropolitan New York Synod Council voted to commit itself in partnership with Leif Ericson Day School to a collaborative and mutually agreed upon process and timeline for the restoration of the net proceeds of the parsonage sale to Leif Ericson Day School;

Whereas the Metropolitan New York Synod now has representation on the Leif Ericson Day School Board in keeping with resolutions passed by the synod in 2008 and 2013;

Whereas a working group comprised of Metropolitan New York Synod Council and staff members and Leif Ericson Day School Board, staff and community members has been established to discern and recommend a collaborative and mutually agreeable way to implement the MNYS resolution to return the net proceeds of the sale of the former Bethany Church parsonage to Leif Ericson Day School;

Whereas members of this working group determined and agreed that the current value of the net proceeds of the sale of the former Bethany Church parsonage (less sale-related costs and other expenses incurred by our synod for the maintenance and care of LEDs-related buildings) is $473,199.23

Whereas rounding this figure up to $475,000 acknowledges in a modest way possible interest on funds that LEDs might have earned in intervening years;

Therefore be it resolved that the Metropolitan New York Synod restore to Leif Ericson Day School $475,000 payable in one lump sum to fulfill its commitment to justice in returning to LEDs funds intended to support the school;

Be it further resolved that the working group consisting of representatives of both MNYS and LEDs commit itself to discerning, studying and making recommendations about questions of corporate ownership and governance for LEDs, seeking to define and appropriately strengthen the relationship between LEDs and MNYS;

Be it further resolved that the LEDs/MNYS working group commit itself to discerning the possibility of and to make recommendations about calling (a) chaplain(s) to serve the Word and Sacrament ministry needs of the LEDs community.
