About this event

- How do we develop our sense of morality?
- Where does our sense of morality come from?
- What inspires us as a human being to be moral?
- What are the consequences of being immoral?
- Who defines what is moral and what isn't?

Presenters of the Islamic, Christian and Atheist tradition take 30-40 minutes to explain their religious view or general beliefs and practices as it relates to these key questions.

We have designed this format in an effort to have an open discussion, share views, and end with an open Q & A session. The goal is to allow the audience to compare and contrast concept and views with other popular ideologies such as Christianity, Atheism and Islam.

Tickets are \$10 per person
